Notes on discontinued publications:

1) Staff of the SD Dept of Education & Cultural Affairs, publishers of the "South Dakota Dropout Study" (ED 525: D 837/ & OCLC#28935149) have advised us that the 1993-94 edition is the last edition, and that they will no longer publish this title. They said that they have incorporated this report (and others) into a single publication: "Education in South Dakota : a statistical profile" (ED 525: ST 29/ 3/ & OCLC#36437748).

2) Regarding "South Dakota's business magazine and data supplement" (ED 375:D 262 & OCLC # 31359568), the publisher states that the July 1996 issue (vol. 13 no. 1) was the final issue. Please be advised, some statistical data from this publication is now published only on the Internet:

Data on Gross Sales, Use Taxable, and Taxable Sales for SD counties and selected cities from October, 1995+ is published only on the Internet at <http://www.state.sd.us/revenue/stats.htm>. This monthly & annual data is referenced as "City Stats by County"; individual tables are sub-titled "City and County Recap". 1995 monthly data for July, August, & September returns is unavailable.

3) Regarding "South Dakota sales and use tax report" (ED 375:Sa 32 & OCLC # 12864355), the publisher states that the September, 1995 issue (no. 72) was the final issue. Please be "advised, some statistical data from this publication is now published only on the Internet:

Data on Gross Sales, Use Taxable, and Taxable Sales for SD counties and selected cities subdivided by 1-digit SIC from October, 1995+ is published only on the Internet at <http://www.state.sd.us/revenue/stats.htm>. This monthly/annual data is referenced as "City Stats by County and Division"; individual tables are sub-titled "City, County and State-wide Recap for Standard Industrial Classification (SIC) Divisions (1 digit)". 1995 data for July, Aug, & Sept collections is unavailable.

The statistical tables on the Dept of Revenue web site contain enhanced data when compared with these previous paper products. For example, the paper "South Dakota sales and use tax report" data had bi-monthly statistics; the Internet version "City, County and State-wide Recap for Standard Industrial Classification (SIC) Divisions (1 digit)" has monthly statistics.

Additionally, the Dept of Revenue website (<http://www.state.sd.us/revenue/stats.htm>) has two new data tables supplying statistics at previously unpublished levels of specificity. These are:

1) "Top 10 City Stats by SIC, Major Group, Division"; individual tables in this series are

sub-titled "City Recap for Selected Cities for Standard Industrial Classification (SIC) Industries (4 digits)". This provides a 4-digit SIC breakout for selected cities of monthly/annual Gross Sales, Use Taxable, and Taxable Sales. Cities include Aberdeen, Brookings, Huron, Mitchell, Pierre, Rapid City, Sioux Falls, Spearfish, Watertown, & Yankton. It also aggregates data by major SIC groups and divisions.

2) "State Stats by SIC, Major Group, Division"; individual tables in this series are sub-titled "State-Wide Recap for Standard Industrial Classification (SIC) Industries (4 digits). This provides a statewide 4-digit SIC breakout of monthly/annual Gross Sales, Use Taxable, and Taxable Sales. It also aggregates data by major SIC groups and divisions.

Another source for taxable sales statistics for cities is the magazine "Retail Prophet" (OCLC # 19614789); its tables of monthly data include comparisons with the previous year. This is a publication of the SD Retailers Association and is not a state government publication.
